experience

Mar 2018 - Present
Chase
Lead and coordinate a team of developers, giving them mentorship to grow.
Developed UI experiences at scale to be seen to millions of users

* Javascript ES5, ES6   * Jenkins / Jules CIs   * Git / Bitbucket
* Karma / Mocha / Chai * CSS / Less   * Web Components
* Ractive   * Moment
Reference: Krishna Thumati | 631.480-5424

Aug 2015 – Mar 2018
ACLens
Create and maintain a multi-tenant platform for dozens of websites. Reduced the front-end load times of our entire platform to a quarter of the original time with a creative bundling solution

* Typescript / Javascript * C# MVC   * Team Foundation Server
* SCSS   * Razor Markup   * Continues Integration
* Gulp / Webpack   * Angular / Vue.js * Octopus Deploy
Reference: Jason Sauer | 614.876.3208

Aug 2014 – Aug 2015
Ohio Child Care Resource & Referral Association
Redesigned and recreated the entire web application from the ground up while maintaining backwards compatibility as well as introduction a responsive design

* PHP   * MySQL   * GIT
* Javascript / AJAX   * HTML5   * CSS3
Reference: Sloane Irwin | 614.859.6784

Feb 2012 - Jul 2014
EXPRESS Inc.
Maintained the daily updates to the website, went through a full replatform and redesign, created an in-house CMS, implemented content and structure for the blog, among so much more.

* ATG development   * ATG deployments   * Jira
* PHP   * Java / JSP   * Javascript / AJAX
* HTML5   * CSS3   * Bitbucket / GIT / SVN
Reference: Scott Wabnitz | 614.313.9072
